

PMCH Needs our help!

On **February 9th**, we learned that the Petoskey Montessori Children's House management agreement situation would be on the agenda for the next PSP School Board Meeting, scheduled for **Thursday February 15th, at 7pm**. This leaves us very little time to bring attention to this meeting, and request Parents and Petoskey Voters support for PMCH.

SupportPMCH.org urgently requests your support!

What can I do to help?

The most important thing you can do to help is show up at the school board meeting, and use the public commentary portions to speak in support of PMCH. The second most important thing is to bring 1 or 2 Petoskey residents with you. The final thing that you can do right now is email Becky Smith, Jeff Leslie, Mark Ashley, and other members of the board voicing your support.

When / Where?

Board of Education meetings are traditionally held on the **Third Thursday** of Each Month at **7:00 PM** in the **Spitler Administration Building's Board Room, 1130 Howard Street**, Petoskey.

Why?

PSP has disclosed that they do not intend to renew the Management Agreement with PMCH which has existed since 2001. They have given varied and misleading reasons for this decision, and have up to this point avoided public scrutiny. At risk is the closure of the elementary school, the loss of Mr. Russel as a teacher, or retaining him but not without negative impacts to his retirement.
